

Employer Questionnaire List

Thank you for taking the time to participate. I am conducting this interview for a Composition 2 research project for my ENGL C1000 class at MiraCosta College about how college prepares students for career/work readiness.

Your responses will be anonymous and may be summarized or quoted on my project website. Names, company names, or identifying information will not be included.

1. What general industry do you work in and what is your current position?
2. Do you participate in hiring and or supervising employees?
3. What are the top 3-5 qualities you look for in candidates?
4. When hiring recent college graduates, do the qualities you look for change. If so, how?
5. What skills or qualities do you think recent college graduates are generally well prepared for?
 - a. Is this based on your own college experience or work experience or both?
6. What skills or qualities do you think recent college graduates are lacking?
 - a. Is this based on your own college experience or work experience or both?
7. Do you think colleges adequately prepare students for the workplace? Why or why not?
 - a. Is this based on your own college experience or work experience or both?
8. If you could recommend a change colleges could make to better prepare students for the workforce, what would that be?
 - a. Is this based on your own college experience or work experience or both?
9. What advice would you give to a college student preparing to enter the workforce?
